Mr. Edward Rubendall

To Our Advisors

Mr. Richard Frost

In planning the dedication for a yearbook, there are numerous factors which must be considered. Many qualities must be possessed by the person who merits the dedication. Foremost among these qualities are service and actual dedication of the person to his position.

In planning the dedication for the 1959 *Tower Echoes*, it was felt that the contributions and efforts of two faculty members merited recognition by the staff. Although the areas in which these two men worked are vastly different, both are equally outstanding in the services which they performed.

Mr. Edward Rubendall, Advisor to the class of 1959, has shown consistent interest in the class and could always be depended upon to devote his time to our efforts.

Mr. Richard Frost, Advisor to the *Tower Echoes*, has played an important role in guiding the staff and offering advice so that publication of *Tower Echoes* was possible.

Associated with Towson since 1954, Mr. Edward Rubendall came to this college by a slightly diverted route. Graduated in 1932 from Illinois College with an A.B. in mathematics, Mr. Rubendall worked in business and industry for thirteen years. Returning to college in 1942, he was associated with the University of Illinois for several years and there received his M.S. in physics in 1947.

On the Towson campus, Mr. Rubendall teaches Physical Science as well as Advanced Mathematics and Freshman Orientation. In addition to teaching, Mr. Rubendall has been a member of the Curriculum Committee since 1955, chairing the group in 1958.

Perhaps the key to Mr. Rubendall's success as the advisor to the class of 1959 has been his willingness to devote time and consideration to any and all class matters. He has attended all executive and class meetings and assembly rehearsals. Always ready to stay late to assist in decorating for dances or assemblies, he has always been behind the class during its four years at Towson.

For his untiring interest and constant devotion, the Senior Class dedicates *Tower Echoes*, 1959, to Mr. Edward Rubendall.

Mr. Richard Frost has been associated with State Teachers College at Towson for only two years, but during that time he has become an active participant in school affairs. Advisor to two organizations, the Jazz Club and the *Tower Echoes*, he spends his limited free time collecting books and records and writing poetry.

Previously from the West Coast, Mr. Frost received his A.B. in 1951 and his M.A. in 1957 from San Jose State College. There he taught at Abraham Lincoln High School for four years and at San Jose State College for one year before coming to Towson. Here at Towson, Mr. Frost is a member of the English Department and teaches several English electives in addition to required courses.

Although Mr. Frost has always been available for advice and add approval concerning *Tower Echoes*, he has proved invaluable for his lack of interference in yearbook matters. The staff was allowed to make its own decisions with only guidance from him.

For his support and encouragement during this year, the staff dedicates *Tower Echoes*, 1959, to Mr. Richard Frost.

Mr. Rubendall and Mr. Frost meet for brief discussion concerning the operation of the *Tower Echoes*.

ADMINISTRATION

DR. EARLE T. HAWKINS

Deans

DR. ORIELLE MURPHY

Two of the prime requisites to a smooth working college are satisfied students and a well balanced curriculum. Here at State Teachers College we have two exceptional people who strive for these goals in their work.

As the coordinator of all student personnel service, Dr. Orielle Murphy, Dean of Students, works with students in all phases of their college life. From the time when she helps plan Freshman Week until she gives advice regarding social activities for commencement, Dean Murphy works intimately with students, counseling, guiding and giving advice when necessary. Not only is Dean Murphy concerned with the student's academic progress but through assuming responsibility for the student social program she sees that there are desirable extra-curricular activities available.

Dean of Instruction, Dr. Browne's position is that of coordinator of all curricular and instructional programs of the college. Working with Dr. Hawkins and the department chairmen, he tries to plan the best possible curriculum for Towson. Besides the work Dean Browne does with the faculty and the curriculum, he works with the Registrar in planning and directing registration procedures.

DR. KENNETH A. BROWNE

Faculty

Probably the three most inter-related offices on the Towson campus are those of the Admissions, Business, and Registrar's offices. These are also the offices with which every student who enrolls in the Teachers College is most closely connected.

The initial office with which the applicant has contact is that of Dr. Rebecca Tansil, Director of Admissions. Under Dr. Tansil's direction the student is tested and guided as to his future in college.

Once the student is enrolled, he will inevitably come into contact with Mr. Karl Moser and his staff in the Business Office. The many checks which students send are received here and are recorded on the student's financial record. It is in this office that the budget, maintenance, and service facilities of the college are handled.

Perhaps the single office with which a student has the most business is that of the Registrar. Here Mrs. Debaugh and her staff perform all of the duties involving scheduling and the filing of students' academic records.

Senior Class Officers

In the history of the State Teachers College at Towson certainly no class can boast of having four years as successful and star-studded as the Class of 1959. From their beginning in 1955 when they presented "Neptune's Daughter", they were known as a class which lived up to and even surpassed the traditionally fine activities of STC. Led by their four-year president, Mike DeVita, the Class of 1959 proved to all observers that it would be a class well worth watching in the future.

Senior Standouts

The picture which is presented on the accompanying page represents several things to several people. To the people whose names appear on this page, it symbolizes one thing — service; service to fellow students, service to their class, service to the State Teachers College.

For this reason, and that alone, they were elected by their classmates as the most outstanding Seniors in the Class of 1959. These Seniors have striven for four years to insure the maximum amount of service to their school. Now that they take their place among the numerous alumni, they can be sure that their Alma Mater has benefited somewhat through their efforts.

For this, the Senior Class and the staff of *Tower Echoes* extend their deepest gratitude to the Senior Standouts of 1959.

Student Government Association

SGA Moguls — Ann Claire Thomas, NSA Coordinator; Fran Bolster, Member-at-Large; and Winnie Balzer, Recording Secretary, look over the agenda to find out when to make their reports.

Under the capable leadership of President Larry Hutchins, the Student Government Association of the State Teachers College at Towson experienced a year of extensive growth and improvement. Unhampered by the bad weather which had hindered the previous year's activities, the 1959 staff outdid themselves in providing varied activities for the student body.

The largest event sponsored by the Student Government Association, the Sweetheart Dance, was accomplished in unparalleled success and attendance.

Instead of the usual single speaker on campus, this year's staff provided the students with a panel of speakers which achieved moderate success despite a sparsely-attended discussion session.

In addition to the large scale affairs, the members of the SGA performed their allotted tasks with amazing regularity and precision. The day-to-day routines of their offices were never that but always another challenge to be met in a way befitting a member of the Towson campus.

Another Bill? — Vice-President Nancy Girkins submits another bill to Treasurer Parker Koons.

Final Check — Under the direction of Parliamentarian Howard Glick, Pat Daniels types up final copy of the revised constitution as Ed Schumacher and Arlene Ray add moral assistance.

Tower Echoes

Of the many qualities which are essential to the staff of an effective yearbook, probably the most necessary is devotion; devotion to the work set before them, devotion to those of which the book is a chronicle, devotion to their co-workers on the staff. Of all the qualities which the 1959 Tower Echoes staff possessed, probably their most noteworthy was this selfsame devotion.

Hilarious — Fran Mullendore, Pat Lastowski, and James Binko attempt to find humor in even the most serious occasion — page layouts.

C'est Fini — Ed Schumacher, Evelyn Knoll, Pat Hinton, and Carol Bailey regretfully (?) watch Evelyn Gatty type the last page of copy.

Time Out — Co-editors Dawn Beck and Charlie Allen take time out from busy yearbook schedule to pose for photographer.

From the hectic end-months of the scholastic year 1957-58 when the annual was in the planning stage; through the school months with their necessary scheduling, layouts, and cropping; to the endless summer nights following graduation when the final touches were put on the book, the 1959 staff worked diligently, untiringly, and unceasingly.

Their efforts, however, have not been in vain. They have resulted in what we consider a relatively collegiate annual. New ideas and methods have been tried; not always successfully, but nevertheless tried.

None of this could possibly have been accomplished had it not been for the uncompromising devotion and fidelity which the staff showed toward their class, their book, and their editors. For those qualities and others too numerous to mention, the editors of 1959 *Tower Echoes* sincerely appreciate and hereby acknowledge the efforts of all concerned.

Money Man — Business Manager Howard Glick writes out another of those large *Tower Echoes* checks.

Tower Light

LEE HILDEBRAND, EDITOR

The *Tower Light* serves the college in a dual capacity: the bi-weekly paper sheds light on important happenings on campus and brings them to the attention of the greatest number of students.

This year's newspaper showed vast improvement, due to the acquisition of an experienced staff, headed by Lee Hildebrand and Mike De Vita. Lee comes to the staff with fourteen years experience as a professional copy-reader. Mike has served on newspaper staffs for ten years (junior high school through college) in one capacity or other.

The format of the paper changed to include more of a variety in type-face and heads. Such new features as articles written by faculty members, "Arts-Wise," and "Mike Says" were introduced. A Newspaper Clinic was initiated for interested students. All staff members strove this year to produce a paper with more up-to-date news and sports coverage and more features on a college level. An Editorial Page came into its own for the first time in many years, as the staff sought to produce a true publicity agent for the college.

Athletic Councils

The athletic programs at State Teachers College are handled by two organizations.

The Women's Athletic Association has for its members the entire woman student body. Its purpose is to "work cooperatively with the Student Government Association, to promote athletics in the college, to create a more vigorous school spirit, and to sponsor recreational activities for women students."

The Men's Athletic Association, with an emphasis on providing the best possible athletic program for all the men of the college, has undertaken to sponsor a program of both intercollegiate and intramural sports.

MEN'S ATHLETIC ASSOCIATION: Don Sudbrink, Dave Stefansson, Fred Levin.

VARSITY CHEERLEADERS: Jean Plaia, Pat Vernay, Janet Gregory, Marianne Faasen, Lorna Penn.

Cheerleaders

Among the many active organizations on our campus is the cheerleaders squad. No one can fully appreciate the accomplishments of this group until he has witnessed the squad in action at athletic activities. With the aid of the student body, the cheerleaders have successfully performed at bonfires, pep rallies and athletic contests. Much enthusiasm and school spirit has been created through the efforts of our cheerleaders squad.

JUNIOR VARSITY CHEERLEADERS: Ronnie Lutz, Annette Clayton, Anne Claire Thomas, Judy Setzer, Melanie Yodzis.

VARSITY SOCCER TEAM: 1st row — Pete Coutros, John Schuerholz, Gene Cherewko, Leo Orlando, 2nd row — Dr. Donald Minnigan, coach, Jack Reider, Jim Sarnecki, George Goudy, Bunky Ford, Charles Coleman, Al Williams, manager. 3rd row — Don Vetter, Dick Stack, Carroll Haddaway, Ed Badolato.

Golden Greek: Pete Coutros, Knight's hustling wing, boots ball away from Salisbury fullback in Homecoming Game at Towson.

Soccer

Get That Ball: Gene Cherewko and Jack Reider converge on Salisbury player as Lee Hughes moves away to cover possible pass.

Towson's soccermen compiled one of the poorest season records in recent history, winning only two out of ten games; but, nevertheless, came up with some outstanding performances against the best teams in the Conference. The Knights led by Bunky Ford, Pete Coutros, Paul Patrinicoula and Don Sudbrink lost overtime games to Baltimore University and Catholic University. They tied with Washington College. Catholic University became the eventual champion with Baltimore University and Washington College right behind them.

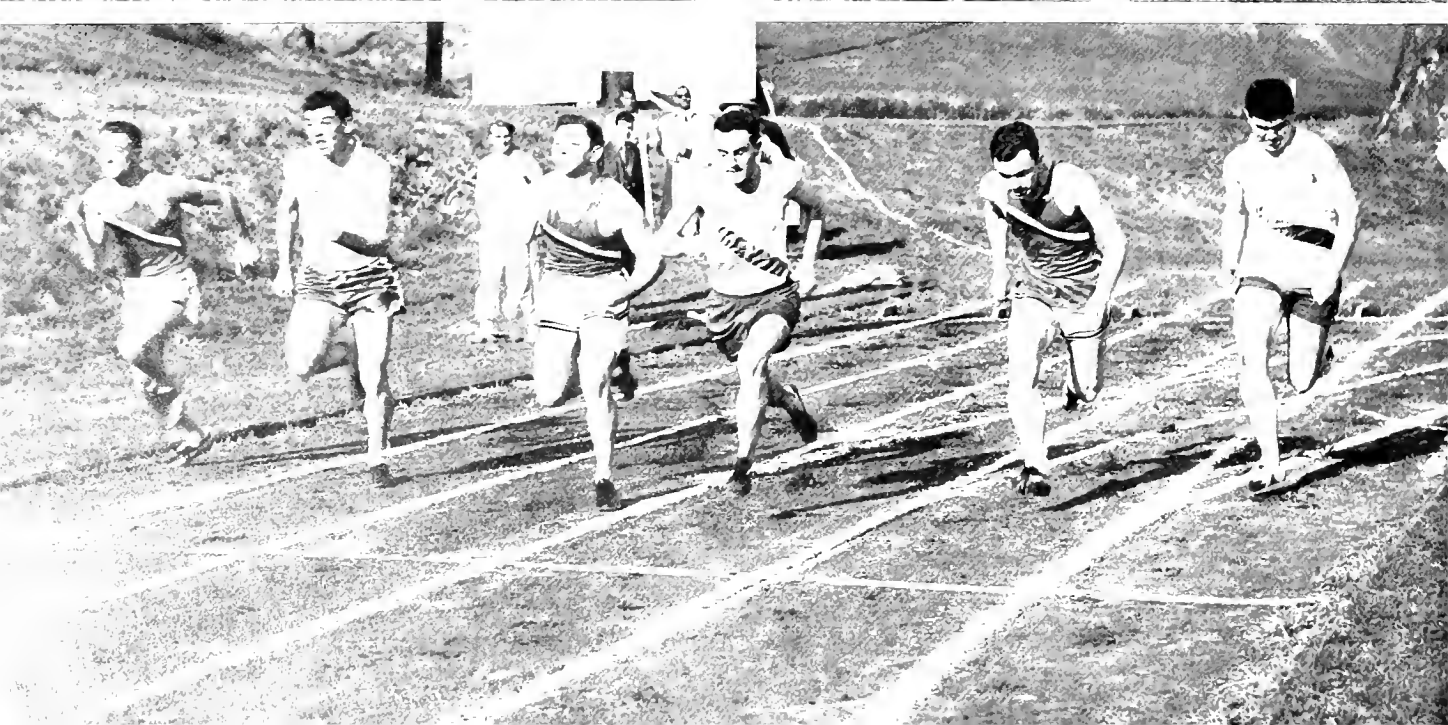

However, the Knights played erratically and lost badly to normally weak teams in the Conference dropping contests to Hopkins, Mount Saint Mary's, and Loyola by decision margins.

Several individual Knights received honors after the season. Paul Parinicila, a junior who did an outstanding job at fullback, was given a first team berth on the Mason-Dixon All Conference team. Bob Bowling, Gene Cherewko and Don Sudbrink all received mentions on the All Southern Team. Bowling in his final season was the greatest scoring threat for the Knights and Sudbrink put in another outstanding season in the goal before he was injured late in the season. The Knights will lose both Bowling and Sudbrink with June graduation.

The future looks brighter for Towson's soccermen for next year.

Bowling Boots: All Southern choice, Bob Bowling blasts shot towards the opponents goal. Ed Badolato and Bunky Ford move in to follow up the shot.

On Your Mark: STC thinclad gets off to good start against two Mt. St. Mary's foes and is able to make good his substantial lead.

Up and Over: Promising Towson underclassman clears the bar at 10'1".

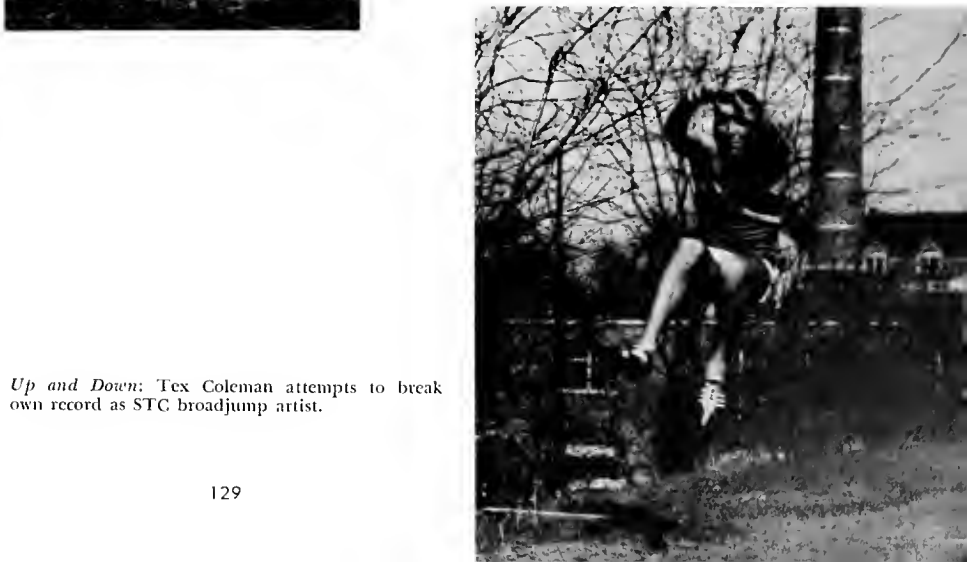

Track

Go!: Annual Mason-Dixon meet finds eastern champs assembled for the track event of the year.

Up and Away: Junior Bob Turner sends the shot for another terrific win for STC.

The Last Mile — Marv Weiner looks as though he won't make it in a tense moment against formidable odds in the Mason-Dixon Conference.

Up and Down: Tex Coleman attempts to break own record as STC broadjump artist.

WRESTLING TEAM: 1st row — Mr. Von, coach, Dave Stefansson, Pete Coutros, Chuck Rainer, Leo Orlando, Bill Kirby, Don Sudbrink, Charles Wolfkill, Jerry Merrenblum and Al Williams, managers. 2nd row — Norman Dean, Jack Edwards, Robert Taylor, Jim Anderson, Bill Wolston, Lew Cauffman, Pat Ryan.

Wrestling

Towson's Tigers, despite a rather unimpressive duel meet record of two wins and four losses, were again able and willing to give all opposition a good battle. Faced with a severe lack of depth and experience at the start of the season, Coach E. O. Von was able to use freshman frequently and juggle his lineup to keep opposition off balance. Pete Coutros, Bill Kirby, Chuck Rainer, and Dave Stefansson all made respectable contributions to the team's success.

However, the two bright spots of the season were the outstanding wrestling of Leo Orlando, a freshman, and the final emergence of Towson original "Tiger", Don Sudbrink as a Mason-Dixon champion. Orlando wrestling in the 123 pound class was undefeated during the season and brought the 123 pound Mason-Dixon conference championship back to Towson. Sudbrink, who had lost the 147. pound final by a referee's decision, and the 1-0 losses in two consecutive seasons finally won the title and became champion.

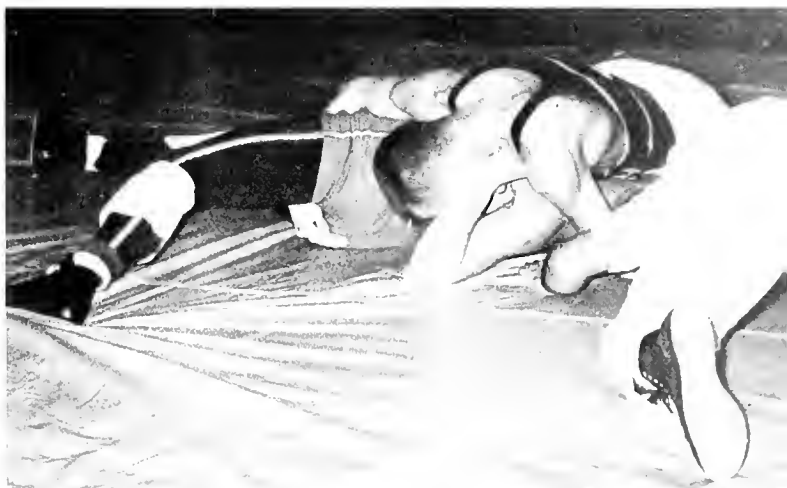

Plans for the future look bright with the return of Orlando, Stefansson, and Coutros.

Leo the Lion: Towson 123 pound mite, Leo Orlando, moves into his American University opponent in aggressive fashion. Orlando in his first year of college grappling carried away the 123 pound championship of the Conference and was undefeated.

Scorecard

Finished fourth in the Tournament with two individual champions.

Tiger on Top: Don Sudbrink, who won practically all of his matches by pins, overpowers another opponent.

Breakdown: Dave Stefansson, who wrestled out of his weight class most of the season, finds himself in an uncomfortable position.

Mason-Dixon Champions: The 123 and 147 pound champions, Leo Orlando and Don Sudbrink, display the form which made them champions in their respective classes.

VARSITY BASKETBALL TEAM: 1st row — Bob Anastasi, Dion Hoover, George Goudy, Skip Hinman. 2nd row — Jerry Mascmore, Jim Miller, Dave King, Dan Elliott, Barry Smith. Not pictured: Skip Feldman, Dave Eden.

High Hoopster: Sophomore Barry Smith gets away a two handed shot against Bridgewater as Skip Feldman moves in for a rebound.

Basketball

Towson's basketball fortunes took a severe dip during the 1958-59 season as the Knights were only able to salvage one victory on an eighteen game schedule. The hoopsters, suffering from a lack of height, were completely outclassed by Conference opposition and finished in the clear in the Mason Dixon Conference. The lone victory of the year was accomplished at the expense of Salisbury State Teachers.

One of the few bright spots in an otherwise dismal season was the smooth play of Jerry Masemore. Masemore, a junior, led the team in scoring and rebounding and personally led the Knights in several games. Barry Smith and Skip Feldman played consistently good basketball, but the Knights were never able to jell. The future looks fairly bright, however, with the return of Masemore, Barry Smith, Skip Hinman and Jim Miller.

Freshman Flyer: Dan Elliott, freshman starter for the Knights, strains high in the air for the rebound as Dave Eden moves into cover the ball.

Eden Fires: Dave Eden lets go with a high arching shot as Dan Elliott attempts to gain position for the rebound.

Heads Up: All eyes are up and muscles strained as Dan Elliott, Jerry Masemore and Barry Smith wait for the rebounding shot.

LACROSSE TEAM: 1st row — Al Beachley, Jim Sarnecki, John Schlee, Don Vetter, Jan Maskol, John Siegel, Bunky Ford, 2nd row — Bob Anastasi, Marty Mintz, Jack Edwards, Jim Anderson, Bob Taylor, Ronnie Blake, Tom Massey; 3rd row — Bill Hooper, coach, Don Sudbrink, Ed Callory, Ted Brower, Lowell Sunderland, Bob Huckeba, Joe Tishler, Bob Prout, coach.

Lacrosse

Towson State's first venture into collegiate lacrosse can be considered a great success. The stickmen finished the season with a respectable 2 win 3 loss record and brought about a great revival in sports interest on the campus. Under the direction of former All American Bill Hooper, the Knights played colorful aggressive lacrosse and were rewarded with the largest crowds of the year.

With Bunky Ford and Jim Anderson doing most of the scoring, the team opened the season with successive victories over Brown and Gettysburg. However, the Knights stepped out of their own class and got trounced twice by the Quantico Marines during their brief schedule. In a duel with a home town team the Knights came out on the short end 8-6 score.

Flying Tigers: Bunky Ford (practically hidden by goalie) crosses in front of the Brown goal and fires shot into the net.

Scorecard

Towson 8	Brown 5
Towson 8	Gettysburg 7
Towson 3	Quantico 17
Towson 6	Loyola 8
Towson 2	Quantico 9

Surrounded: Bunky Ford is enclosed by three Brown players as he attempts to pass the ball to a waiting Don Sudbrink. This combination of Sudbrink and Ford gave the Knights a potent scoring potential.

Power Play: Brown goalie and defensemen deflect shot by Ford. Jim Anderson moves in from the right to capture the rebound.

To the Rescue: Jim Anderson and Bob Huckeba move in from behind the goal to help the midfield move the ball into scoring position.

BASEBALL TEAM: 1st row — Carroll Haddaway, Bob Bowling, John Delanardo, Dennis Adams, Ken Dollinger, Leo Orlando. 2nd row — George Goudy, Skip Feldman, Dave Stockman, John Schuerholz, Chuck Livingston, Barry Smith. 3rd row — Lee Hammond, Paul Patrinicoula, Dion Hoover, Lynn Hammond, manager.

Baseball

Towson's diamond men came up with one of their most interesting and talented teams in several seasons. In the tough Northern Division of the Mason-Dixon Conference the Knights finished with a seven win, six loss record.

The Knights started quickly and after three games were solidly in first place, but the difficult Southern tour brought their record to three and three, and from that point on they were never in consideration for the title. Skip Feldman led the club in hitting, blasting the ball at a .378 average. The pitching corp was led by Bob Bowling and freshman Lynn Hammond. Hammond with a 5-3 record was the leading pitcher. Plans for the future are brighter than ever with only one senior on the starting nine and the majority of the team being freshmen and sophomores.

Failed: Junior Lee Hammond prepares to grab the ball as A. U. batter goes down for a 3 count.

Parents' Tour: Senior guides give tour to freshmen and parents through the new library.

Arrive Early

Every year the first thing to arrive on the Towson campus are the hordes of wandering and wondering Freshmen. This year not only the regular batch arrived but also all of the dayhop Freshmen as well. The purpose behind this irregular innovation was that all students are entitled to the orientation which formerly only residents students received. The success which this plan achieved certainly insured its renewal for the future.

During their week of orientation at Towson the newly-arrived were hosted to several varied activities provided by the sponsorship of the Freshmen Advisory Council. This group, probably the most active on campus, sees to it that all Freshmen know all there is to know about STC by the end of their first week. Beside providing personal guidance, the FAC initiates the dazzled Freshmen to all of the campus organizations and services. It is they that see to it that Towson has the best-informed underclassmen.

Freshman Reception: Student Centre becomes scene of Freshman's first taste of the many social affairs he will encounter at STC.

Library Perusal: Freshmen and parents marvel at the vast extent of the new Albert S. Cooke Library.

Homecoming

In any college, Homecoming Day sums up all that is traditional and grandiose. At the State Teachers College at Towson the same is true and more also. Not also is Towson's Homecoming steeped in the traditions of the past but is constantly setting more traditions to be followed in the future. After having tried for several years to use York Road as a route for the Homecoming parade, this year's committee was finally able to gain the necessary consent to conduct the parade up Towson's main artery.

As far as being grandiose is concerned, the 1959 Homecoming Committee provided alumni and guests with the most splendid affair in years. Led by the gracious queen, Miss Sali Cohan, everyone concerned with the event conducted themselves in the finest Towson tradition. The Queen's crowning was both solemn and serious, and she was able to convey to all the dignity and poise which is essential to a Towson coed.

The former of the major plays was Arthur Miller's "The Crucible" which saw the return of such notables as Otts Laupus, Bruce Johnson, Carolyn Lyle, and Dennis Fry to the Towson stage.

The latter work was Leonard Bernstein's "Wonderful Town" in which underclassman Bernie Thrush did a splendid job in the much-coveted role which Rosalind Russell created on Broadway. She was capably assisted by Spiro Malas and Sali Cohan. Appearing in minor roles in the large-cast presentation were Bob Deller, Otts Laupus, Ed Badolato, and Ron Budny.

After the stellar year which the Glen Players provided, the State Teachers College can well be proud of its already favorite son.

It To You

Following the tradition he started four years ago with the presentation of "Neptune's Daughter", Director Bruce Johnson again provided Towsonites to another thoroughly enjoyable evening of amateur theatre with the production of "We Leave It To You". The plot centered around two Towson alumni who return to Homecoming Day at different times in Towson history. Featured events were the 1890's, the

Roaring Twenties, and the present day. The theme of the three act musical was the fact that the audience was to decide which of the eras was the most enjoyable.

Veteran Glen Player and Assembly stalwart Bob Deller chaired the script committee while Evelyn Gatley was in charge of musical direction and accompaniment. Viv Leshner provided the cast with the dances.
